Authority to allot shares

- 18 That the Directors be generally and unconditionally authorised for the purposes of section 551 of the Companies Act 2006 to allot shares in the Company or to grant rights to subscribe for or to convert any security into shares in the Company (“Rights”):
 - (a) up to a maximum aggregate nominal amount of £10,650,035 (representing approximately one third of the Company’s issued ordinary share capital); and
 - (b) comprising equity securities (as defined in section 560(1) of the Companies Act 2006) up to an aggregate nominal amount of £21,300,071 (representing approximately two thirds of the Company’s issued ordinary share capital) (that amount to be reduced by the aggregate nominal amount of shares allotted or Rights granted under paragraph (a) of this resolution) in connection with a pre-emptive offer:
 - (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - (ii) to holders of other equity securities as required by the rights attaching to those securities, or subject to those rights, as the Directors otherwise consider necessary,

- (b) shall be limited to the allotment of equity securities for cash pursuant to the authority in paragraph (a) of Resolution 18 (otherwise than in the circumstances set out in paragraph (a) of this Resolution 19) up to an aggregate nominal amount of £1,597,505; and
- (c) expires (unless previously renewed, varied or revoked) at the end of the next Annual General Meeting of the Company after this resolution is passed or, if earlier, at the close of business on 22 July 2026 but so that the Company may make offers and enter into agreements before that expiry which would, or might, require equity securities to be allotted after that expiry and the Directors may allot equity securities pursuant to any of those offers or agreements as if this power had not expired; and
- (d) applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Companies Act 2006 as if in the first paragraph of this Resolution 19 the words “pursuant to the general authority conferred on them by Resolution 18” were omitted.

For the purposes of this Resolution 19, the expression “equity securities” and references to “allotment of equity securities” respectively have the meanings given to them in section 560 of the Companies Act 2006.

Notes

- 1 Shareholders entitled to attend, speak, and vote at this meeting may appoint one or more proxies to attend and, on a poll, vote in their place. A proxy need not be a shareholder of the Company. If a shareholder appoints more than one proxy to attend this meeting, each proxy must be appointed to exercise the rights attached to a different share or shares held by the shareholder. If a shareholder wishes to appoint more than one proxy, he/she may photocopy the Form of Proxy or (an) additional Form(s) of Proxy may be obtained by visiting the Company's Registrar's, Equiniti, website at www.shareview.co.uk.

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Relevant Member as to the exercise of voting rights. Your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you. The statement of the rights of shareholders in relation to the appointment of proxies in note 1 above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by shareholders of the Company.
- 3 Only those members entered on the register of members of the Company at 6.30pm on 16 April 2025 (or, if the AGM is adjourned, at 6.30pm on the date which is two business days prior to the adjourned meeting, excluding any part of a day which is not a working day), shall be entitled to attend or vote at the aforesaid meeting in respect of the number of shares registered in their name at that time. - 4 A Form of Proxy is enclosed with this Notice. In order to be valid, a Form of Proxy must be returned duly completed (together with the original or a duly certified copy of the power of attorney or other authority, if applicable, under which it is signed) by one of the following methods no later than 2.30pm on 16 April 2025 (or 48 hours preceding the date and time for any adjourned meeting, excluding any part of a day which is not a working day):

It is important that you register for a Shareview Portfolio with enough time to complete the registration and authentication processes. The use by members of the electronic proxy appointment service will be governed by the terms and conditions of use which appear on the website;
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out on page 8; or
 - in the case of Proxymity members, by utilising the electronic Proxymity platform in accordance with the procedures set out on page 8.Completing and returning the Form of Proxy will not preclude shareholders from attending and voting in person at the AGM should they wish to do so.
- 5 If you return paper and electronic proxy instructions, those received last by the Registrar before the latest time for receipt of proxies will take precedence. You are advised to read the website terms and conditions of use carefully.
- 6 As at 3 March 2025, being the last practicable date prior to the publication of this Notice, the Company's issued share capital consisted of 639,002,140 ordinary shares of five pence each ("Ordinary Shares"), none of which were held in treasury.  - (iii) a copy of the Beazley plc savings-related share option plan for US employees
- 8 It is possible that, pursuant to requests made by members of the Company under section 527 of the Companies Act 2006, the Company may be required to publish on its website a statement setting out any matter relating to the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM or relating to any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual reports and accounts were laid. The Company may not require the members requesting such website publication to pay its expenses in complying with section 527 or 528 of the Companies Act 2006 and it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on its website.
- 9 A member attending the AGM has the right to ask questions relating to the business being dealt with at the AGM in accordance with section 319A of the Companies Act 2006. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

No other means of communication will be accepted. In particular, you may not use any electronic address provided either in this Notice or in any related documents (including the Annual Report and Accounts for the year ended 31 December 2024 or the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.

NOTE FOR CREST SHAREHOLDERS: Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with Euroclear UK and Ireland's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST manual which can be viewed at www.euroclear.com. The message, regardless of whether it constitutes the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent, Equiniti Limited, (CREST Participant ID RA19) by 2.30pm on 16 April 2025 (or 48 hours preceding the date and time for any adjourned meeting, excluding any part of a day which is not a working day). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST proxy instruction in the circumstances set out in 35(5)(a) of the Uncertificated Securities Regulations 2001.

If you are an institutional investor you may be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar. Your proxy must be lodged by 2.30pm on 16 April 2025 (or 48 hours preceding the date and time for any adjourned meeting, excluding any part of a day which is not a working day) in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

Explanatory Notes on the Business of the AGM

Resolution to Receive the Annual Report and Accounts for the financial year ended 31 December 2024 and the Directors' Report and Auditors' Report on these (Resolution 1)

The Directors are required to present to the AGM the accounts, and the reports of the Directors and auditors, for the financial year ended 31 December 2024. These are contained in the Company's Annual Report and Accounts 2024.

Resolution that the Directors' Remuneration Report for the financial year ended 31 December 2024 be approved (Resolution 2)

The Company is required under section 439 of the Companies Act 2006 to ask shareholders to approve the Directors' Remuneration Report which is included in the Annual Report and Accounts 2024. This can be viewed on the Company's website at www.beazley.com and is available to shareholders on request. The resolution is advisory and does not affect the remuneration paid to any Director.

The Company's auditors for the financial year ended 31 December 2024, EY, have audited those parts of the Directors' Remuneration Report which are required to be audited and their report may be found in the Annual Report and Accounts.

Resolution to approve the payment of an interim dividend (Resolution 3)

The dividend strategy is included on page 250 of the Annual Report and Accounts 2024 available on the Company's website at www.beazley.com.

Re-election of Directors (Resolutions 4 to 13 inclusive)

In compliance with the UK Corporate Governance Code's provision on the annual re-election of all Directors, all Directors wishing to seek re-election are submitted for re-election and are recommended by the Board. The Board currently has 11 Directors (comprising a Non-Executive Chair, two Executive Directors and eight other independent Non-Executive Directors), whose experience and expertise are derived from a range of industries, sectors, jurisdictions and personal characteristics that provide an invaluable perspective on the Company's business and who devote sufficient time to discharge their duties. The Nomination Committee considers the balance of the Board and the diversity and mix of skills, knowledge, and experience of its members. The Nomination Committee report begins on page 109 of the Annual Report and Accounts 2024 available on the Company's website at www.beazley.com.

The Board extended the appointment of Robert Stuchbery, who would be serving a term in excess of nine years from August 2025. Robert continues to bring strong challenge to the Board and its committees and his appointment has been extended for a further year until the 2026 AGM, subject to annual reappointment at the AGM. The Nomination Committee carried out a rigorous assessment of Robert's continuing independence, taking into account the short period over which he is expected to be appointed beyond nine years (August 2025 to April 2026). Robert has continued to provide due challenge to management, and his continued appointment supports the mixture of lengths of tenure of the remaining Directors. His continued appointment also benefits the Beazley Furlonge Limited Board with Robert remaining as its Chair to support an orderly Chair succession. The Committee concluded that he would continue to remain independent over the remaining period.

The Nomination Committee has considered and approved the proposed re-election of:

Auditors (Resolutions 15 and 16)

The Company is required, at each AGM at which accounts are presented, to appoint auditors to hold office until the next such meeting. EY has indicated its willingness to continue in office and details of the Audit Committee's assessment of EY's effectiveness and independence are included on pages 121 and 122 of the Annual Report and Accounts 2024, available on the Company's website at www.beazley.com. Accordingly, Resolution 15 proposes the re-appointment of EY as the auditors to the Company following the recommendation of the Audit Committee.

Resolution 16 authorises the Audit Committee to determine EY's remuneration.

Beazley plc savings-related share option plan for US employees (Resolution 17)

Shareholder approval is being sought for the renewal of the all-employee share option plan for participating US employees (the "US SAYE Plan"). This plan is intended to replace the current savings-related share option plan for US employees which is due to expire in 2026.

The renewed plan, for which shareholder approval is being sought, retains the key features of the current savings-related share option plan for US employees, and has been updated to ensure the US SAYE Plan continues to be considered a qualifying Employee Stock Purchase Plan under section 423 of the Internal Revenue Code of 1986.

Authority of Directors to allot shares (Resolution 18)

Under the Companies Act 2006, the Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by the shareholders in a general meeting. Accordingly, Resolution 18 seeks to grant an authority under section 551 of the Companies Act 2006 to authorise the Directors to allot shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company. This resolution will expire at the conclusion of the next Annual General Meeting of the Company or, if earlier, 22 July 2026. Upon the passing of this resolution, the Board will have authority (pursuant to paragraph (a) of the resolution) to allot relevant securities up to a maximum aggregate nominal amount of £10,650,035 representing approximately one third of the current issued ordinary share capital of the Company as at 3 March 2025, being the latest practicable date before the publication of this Notice. In addition, in accordance with the latest institutional guidelines from the Investment Association ("IA") on the expectations of institutional investors in relation to the authority of Directors to allot shares, upon the passing of this resolution the Board will have authority (pursuant to paragraph (b) of the resolution) to allot an additional number of ordinary shares up to a maximum aggregate nominal amount of £21,300,071 which represents approximately an additional one third of the current issued ordinary share capital as at 3 March 2025 being the latest practicable date before the publication of this Notice. However, the Directors will only be able to allot those shares for the purposes of a pre-emptive offer in which the new shares are offered to existing shareholders in proportion to their existing shareholdings.

As a result, if this resolution is passed, the Board could allot shares representing up to two-thirds of the current issued ordinary share capital pursuant to a pre-emptive offer.

There is no present intention of exercising this authority except in connection with the Company's employee share schemes. However, it is considered prudent to maintain the flexibility that this authority provides. If they do exercise the authority, the Directors intend to follow emerging best practice as regards its use as recommended by the IA.

As of 3 March 2025, being the last practicable date prior to the publication of this Notice, the Company did not hold any treasury shares.

Disapplication of pre-emption rights (Resolution 19)

Under section 561(1) of the Companies Act 2006, if the Directors wish to exercise the authority under Resolution 18 and allot any shares for cash, or grant rights to subscribe for, or convert securities into, shares, they must offer them in the first instance to existing shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the best interests of the Company to allot new shares (or to grant rights over shares) for cash without first offering them to existing shareholders in proportion to their shareholdings. This cannot be done under the Companies Act 2006 unless the shareholders have first waived their pre-emption rights.

Resolution 19, which is to be proposed as a special resolution and which is conditional on Resolution 18 having been passed, asks the shareholders to do this by allowing the Directors to allot shares (including treasury shares) for cash (i) by way of a pre-emptive offer in which the new shares are offered to existing shareholders in proportion to their existing shareholdings; and (ii) up to a maximum aggregate nominal amount of £1,597,505; which is equivalent to 5 per cent of the nominal amount of the issued share capital of the Company on 3 March 2025, being the latest practicable date prior to the publication of this Notice, without having to first offer them to shareholders in proportion to their existing holdings.

If given, the authority contained in Resolution 19 will expire at the conclusion of the next Annual General Meeting in 2026 or, if earlier, 22 July 2026. The Directors intend to renew such power at subsequent Annual General Meetings in accordance with current best practice.

The disapplication authority under Resolution 19 is within the guidance set out in the Pre-Emption Group's 2022 Statement of Principles. The Directors have no current plans to allot shares, except in connection with employee share schemes.

Authority for the Company to purchase its own shares (Resolution 20)

This resolution gives the Company the authority to buy back Ordinary Shares in accordance with the Companies Act 2006. The maximum aggregate number of Ordinary Shares that may be purchased pursuant to this authority will be limited to 63,900,214 Ordinary Shares, which represents approximately 10 per cent of the Company's issued ordinary share capital as at 3 March 2025, being the latest practicable date before the publication of this Notice. The authority would expire at the conclusion of the 2026 Annual General Meeting or, if earlier, 22 July 2026. The Board intends to seek renewal of this power at subsequent Annual General Meetings in accordance with current best practice.

The minimum price (excluding expenses) that may be paid by the Company for an Ordinary Share is its nominal value and the maximum price which may be paid by the Company for an Ordinary Share is the higher of:

- (a) an amount (excluding expenses) equal to 105 per cent of the average of the middle market quotations of an Ordinary Share (as derived from the London Stock Exchange Daily Official List) for the five business days immediately preceding the date on which that Ordinary Share is contracted to be purchased; and
- (b) an amount (excluding expenses) equal to the higher of (i) the price of the last independent trade of an Ordinary Share; and (ii) the highest current independent bid for an Ordinary Share on the London Stock Exchange at the time the purchase is carried out.

Any buy back of Ordinary Shares would be made on the London Stock Exchange.

The Directors will exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be in the best interests of shareholders. The Directors consider it to be desirable for this general authority to be available to provide flexibility in the management of the Company's capital resources over the next 12 months. In addition, other investment opportunities, appropriate gearing levels and the overall position of the group will also be taken into account when determining whether to exercise this authority.

The Company may hold in treasury any of its own shares that it purchases pursuant to the authority conferred by this resolution. This gives the Company the ability to reissue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares. Accordingly, if the Directors exercise the authority conferred by this resolution, the Company will have the option of holding those shares in treasury, rather than cancelling them. The Directors will have regard to any guidelines published by investor groups in force at the time of any market purchase, holding or resale of treasury shares.

In the financial year ended 31 December 2024, the Company purchased and cancelled 37,263,583 of its own shares. In the period from 1 January 2025 to 3 March 2025 (being the latest practicable date prior to the publication of this Notice), the Company did not purchase any of its own shares.

The total number of options to subscribe for shares outstanding as at 3 March 2025, being the latest practicable date before the publication of this Notice, was 18,072,550. This represents 2.8 per cent of the issued share capital at that date. If the Company was to buy back the maximum number of Ordinary Shares permitted pursuant to this resolution, then the total number of options to subscribe for Ordinary Shares outstanding at 3 March 2025 would represent 3.1 per cent of the reduced share capital.

Notice period for general meetings (Resolution 21)

The Companies (Shareholders' Rights) Regulations 2009 (the "Shareholders' Rights Regulations") increased the notice period for general meetings to 21 clear days unless shareholders approve a shorter period, which cannot be less than 14 clear days. Resolution 21 seeks the approval of shareholders to grant the authority to be able to call general meetings (other than an Annual General Meeting) on not less than 14 clear days' notice. The flexibility offered by Resolution 21 will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting and in the interests of the Company and shareholders as a whole. In doing so, the Directors will note the recommendations of the UK Corporate Governance Code.

The Company will meet the requirements for electronic voting under the Shareholders' Rights Regulations before calling a general meeting on less than 21 clear days' notice. If given, the approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

APPENDIX 1

Summary of the Beazley plc savings-related share option plan for US employees 2025

The principal terms of the Beazley plc savings-related share option plan for US employees (the 'US SAYE Plan') are summarised below.

Overview

The Plan is an "all-employee" share option plan which will give participating US employees ("Optionholders") the opportunity to acquire ordinary shares in the Company ("Shares") using between \$10 and £500 a month or such other amount permitted under the relevant legislation.

The Plan has been designed to satisfy the requirements of section 423 of the Internal Revenue Code so that options ("Options") granted under it will offer beneficial tax treatment to the Optionholder and the member of the group employing the Optionholder.

Savings contracts

Under the Plan, employees will be required to make regular savings in accordance with a savings contract (a "Savings Contract").

Eligibility

Each person who is an employee for tax purposes (excluding any part-time employee working less than 20 hours per week and any temporary employee working pursuant to a contract for less than 5 months temporary employment) of any subsidiary that employs US persons (which is a designated subsidiary for the purposes of the Plan) and has been in continuing employment for a minimum 1 month period prior to the first day of any invitation period will be invited to join the Plan.

Exercise price

The proceeds of the Savings Contract can be used to exercise an Option to acquire Shares at an exercise price set at the date of invitation, which may not be less than 85% of the market value of a Share on the date the Option is granted.

When calculating the market value of a Share for setting the exercise price, the average middle quotation of a Share for the dealing day immediately preceding the date of grant as derived from the Official List of the London Stock Exchange shall be used for Shares listed on the Official List.

The value shall be converted into US dollars using the currency exchange rate quoted by the Financial Times in effect on that date, and shall not be adjusted to reflect any subsequent change in currency exchange rates.

Exercise of Options

Ordinarily, an Option may be exercised between the second anniversary of the date of grant and the last day of the twenty-seventh month following the date of grant (the "Expiration Date").

Cessation of employment

- If an Optionholder dies whilst holding an Option, his personal representatives will have up to six months from the date of death to exercise the Option.
- An Optionholder may also exercise Options for a period of up to six months following the date of termination of employment by reason of disability.
- Options may also be exercised for a period of up to three months from the date the Optionholder ceases employment due to injury, position elimination or retirement, or his employment being transferred such that he is no longer an employee of the Company or a designated subsidiary for the purposes of the Plan.
- In the event that the Optionholder has committed wilful fraud or material dishonesty, deliberately or intentionally failed to substantially perform his duties resulting in material harm to the Company, or where the employee has been convicted of or entered a plea of no contest to a criminal charge with respect to the commission of a felony, Options will lapse on the termination of the Optionholder's employment for one of the aforementioned reasons.

Where an Optionholder ceases to hold office or employment for any other reason, unvested Options will usually lapse on cessation and vested Options may be exercised for 30 days thereafter.

Corporate events

Options may be exercised early on the occurrence of a corporate event, for example where a general offer is made to acquire the whole of the issued ordinary share capital of the Company, where the court sanctions a compromise or arrangement for the purposes of a change of control of the Company or where there is a mandatory winding up.

Options may also be exchanged for options over shares in an acquiring company in certain circumstances.

Overall Plan limits

In any ten year period, the number of Shares which may be issued under the Plan and under any other employees' share plan adopted by the Company may not exceed ten per cent of the issued share capital of the Company from time to time.

In addition, the number of Shares which may be used to satisfy options granted to US employees may not exceed 5 million Shares.

These limits may be adjusted in the event of a variation of the Company's share capital or similar events.

Amendments

The Board, by way of resolution, may amend the rules of the Plan provided that prior approval of the Company's shareholders in a general meeting is obtained for amendments to the advantage of eligible employees or Optionholders.

No amendment which would adversely affect any existing Optionholder rights may be made unless the Board has obtained prior approval by the majority of those Optionholders.

However, any minor amendment to the Plan to benefit administration, to take into account legislative changes, or to obtain or maintain favourable tax treatment, exchange control or regulatory treatment may be made by the Board without shareholder approval.

Variation of share capital

In the event of any capitalisation, consolidation, sub-division or reduction of the share capital of the Company, the Board may make such adjustments as it considers appropriate provided that no variation is made which would result in the exercise price for a Share being less than its nominal value.

Termination

The Plan will terminate on the tenth anniversary of its approval by shareholders.

Benefits not pensionable

Optionholders have no rights to pension in respect of Plan benefits.

Options not transferable

Options granted under the Plan are not transferable other than to the Optionholder's personal representatives in the event of death.
