# WellTech

## A fresh take on life sciences coverage

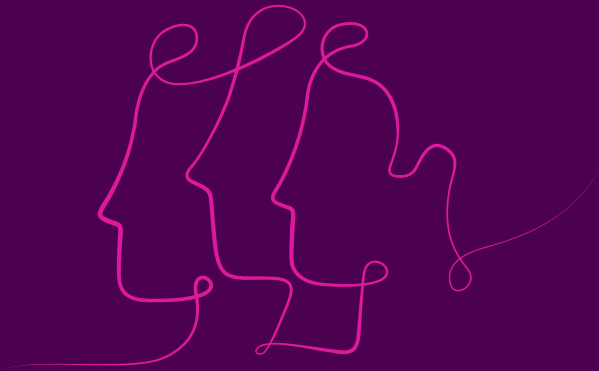

WellTech is a modular policy, with the core module of products liability that provides affirmative coverage for claims made against the insured arising out of their product, tech product or tech service resulting in bodily injury or property damage.

### Who is WellTech for?

**WellTech™ covers a broad range of life sciences businesses worldwide, including:**

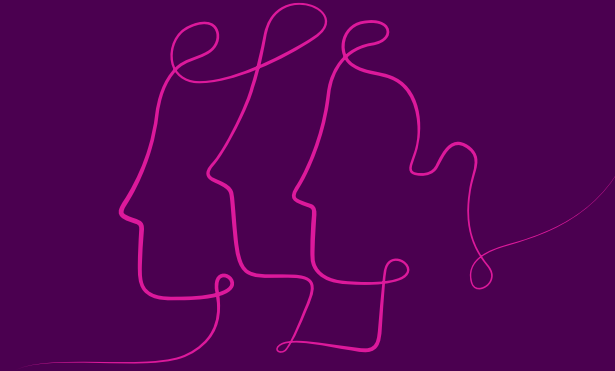

- Pharmaceutical Organizations
- Blood/Tissue Risks
- Nutraceuticals/Dietary Supplement Organizations
- Medical Device Organizations
- Sponsors of Human Clinical Trials
- Site Management Organization
- Academic Research Institutions
- Biotechnology Organizations
- Contract Research/Manufacturing Organizations
- Wholesale and Retail Distribution Organizations
- Clinical Research Lab/Diagnostic Services
